Dear Student,

Congratulations! I am pleased to inform you that you have been accepted for admission to St. Peter's Boys High School based on the results of the TACHS Examination. ## 8<sup>th</sup> Grade Candidate Night

Dear Admission Candidate,

We at St. Peter's Boys high School know that this is a very exciting time as you decide which high school to attend. We also know that you may be having some trouble with that decision. Making a decision requires good information, and we want to offer you an opportunity to get more information about St. Peter's.

St. Peter's is holding an 8<sup>th</sup> grade information, open gym, and workshop night on Thursday, January 30<sup>th</sup>. We hope all of our accepted candidates will be able to join us for the evening. The evening will include workshops utilizing a number of the school's facilities, interaction with our students, teachers, coaches, and moderators. We will also serve refreshments and you will have the opportunity to meet and interact with your future classmates. The evening will begin at 6:00 PM and end at 8:30 PM.

Each attendee can participate in different workshops. We have described them on the back of this letter. A number of the workshops will utilize technology and interactive training and gaming software.

Good luck in your acceptances and decisions. All of us at St. Peter's are looking forward to seeing you on January 30<sup>th</sup>.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Cosentino", is written over a large, faint watermark of the school's seal.
