

Return to Play Guidelines

St. Peter's Boys High School

9/21 is the Official start date for FALL SPORTS

Current Fall sports are SOCCER, CROSS COUNTRY, GOLF, FALL BASEBALL, and FLAG FOOTBALL.

Students are eligible to "opt out" of their respective sport without consequence.

Students must have a waiver and parenon file before trying out or practicing (the waiver is attached as was given out/is available in school).

Students who are fully remote are ELIGIBLE to participate in Fall sports and are encouraged to return to campus for practice.

A student whose cohort is not in school that day is ELIGIBLE to come to campus or go to the alternate location, and participate in practice or games that day.

STUDENTS WHO ARE IN SCHOOL WILL:

Have access to a sports locker to store a change of clothes and necessary gear. Students will drop their gear off in the morning before or during homeroom.

After school, students will be able to change quickly and gather their gear. They will then move to their off campus locations OR to desks in the gym where they will be supervised and monitored following all social distance protocols. Students who are remaining on campus will be encouraged to do school work while waiting for coaches and athletes who are arriving to be screened in and recorded. ANY STUDENTS WHO ARE FOUND LINGERING IN THE SPORTS LOCKER ROOM WILL BE DISMISSED FROM THE TEAM IMMEDIATELY.

STUDENTS WHO ARE ARRIVING ON CAMPUS FOR SPORTS ACTIVITIES (full remote and non cohort days):

Will not be allowed on campus until 2:40pm. There are absolutely no exceptions to this and arriving early for any reason is not permitted.

Will report dressed for practice/games and with their necessary equipment. THEY WILL NOT HAVE ACCESS TO THE LOCKER ROOM on their non school days.

Will report to the FRONT of the basketball gym from 2:40pm – 3:00pm depending on the start time of his practice.

Nurse Kerry Spencer will be at the door to temp scan, health screen, and record each arriving student athlete. ANY STUDENT WHO ARRIVES ON CAMPUS AND DOES NOT REPORT FOR THE HEALTH SCREEN AT THE FRONT OF THE GYM WILL BE DISMISSED FROM THE TEAM IMMEDIATELY.

Any student arriving on campus after 3:00pm must report to their HEAD COACH and inform them that they need to be screened, temp scanned, and recorded.

Students will then report to the basketball gym (not the locker room or weight room) until otherwise instructed by a coach.

EVERY HEAD COACH WILL BE OUTFITTED WITH SANITIZING SPRAY, WIPES, DIGITAL THERMOMETER, AND LOG BOOK.

Any student arriving at an off campus location from school or otherwise will be screened, temp scanned, and recorded by the HEAD COACH.

If a student arrives and goes on a field, track, or gym and does not tell the HEAD COACH that they were late or reports to an assistant coach and then participates without screening will create a scenario where the Coach will have to be dismissed.
